

# Rosa's Big Pizza Experiment

A pack of printable activities  
to accompany the book  
"Rosa's Big Pizza Experiment"  
by Jessica Spanyol

STEM

# Make your own Paper Pizza

Here is a tomato pizza.

Cut out the pizza.

# Make your own Paper Pizza

Add some cheese to your pizza.

Snip with scissors or rip bits of this yellow paper to make bits of cheese.

Use a glue stick to add cheese to your pizza.

# Make your own Paper Pizza

Cut out and choose toppings to put on the pizza.

Why not make a monster face just like Sadiq?

How many olives are you going to put on your pizza?

# Make your own Paper Pizza

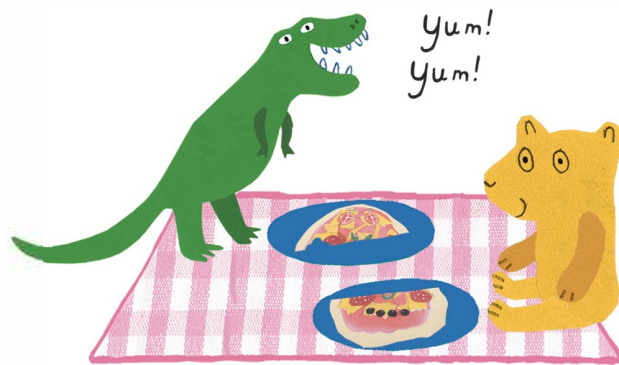

You could photocopy your pizza or make more paper pizzas.

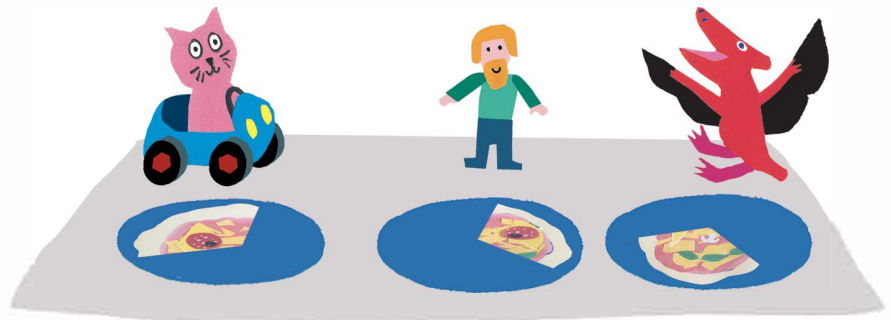

Cut your pizzas into slices and have a pizza picnic!

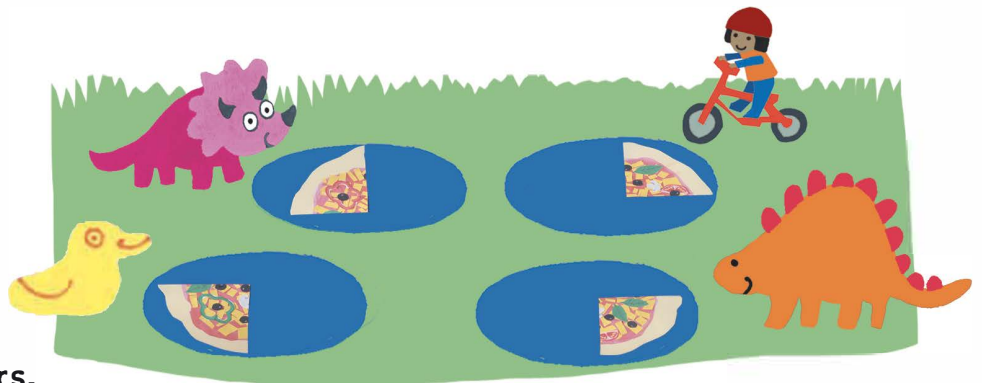

Cut a pizza in half.

Cut a pizza into thirds.

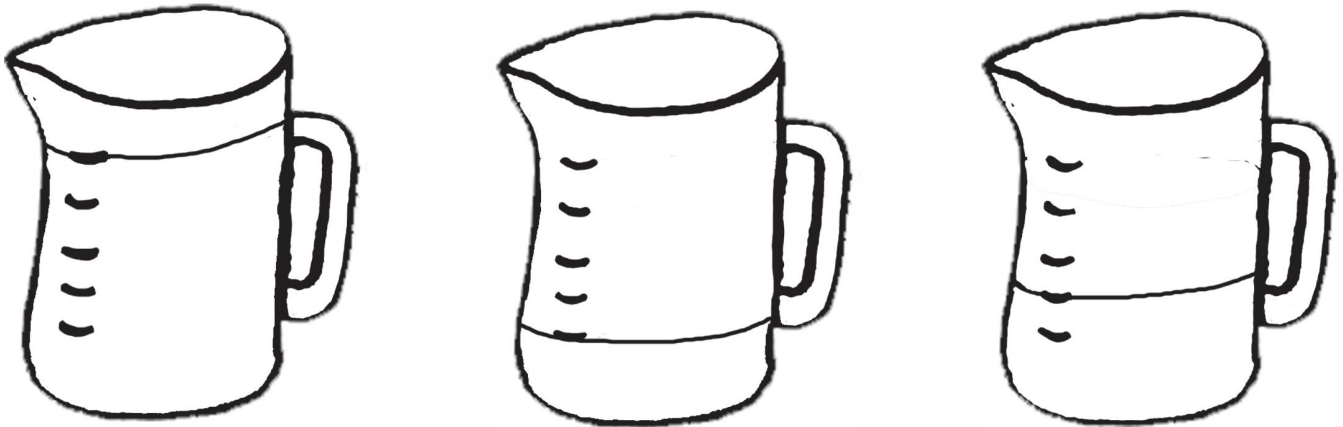

Cut a pizza into quarters.

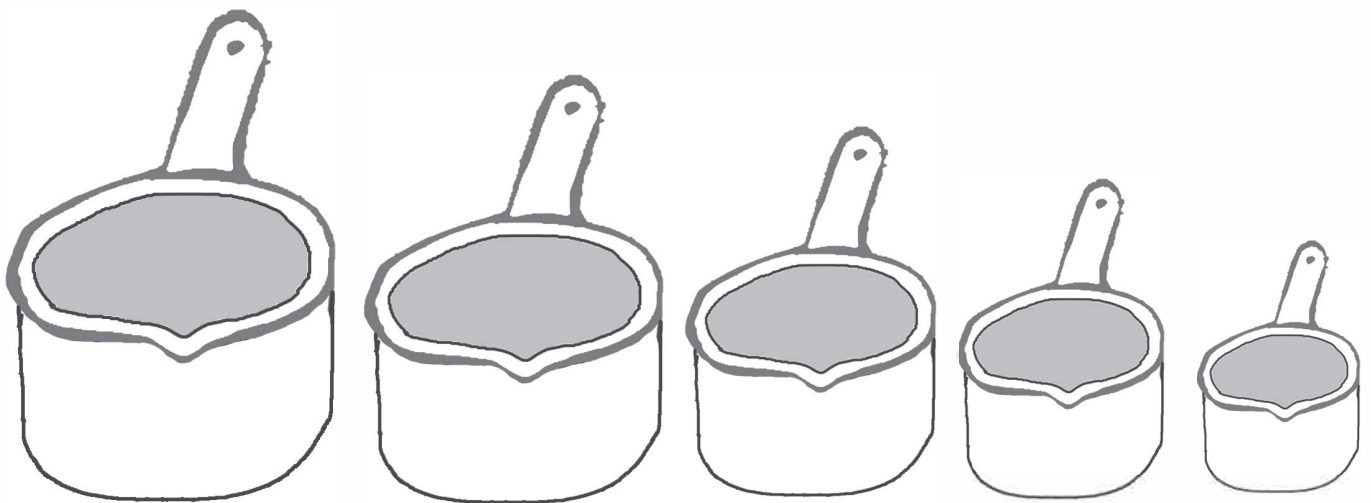

# Rosa's Big Pizza Experiment

Colour in the water in the measuring jugs.  
Which one is the fullest?

Colour the measuring cups.  
Which one is the biggest?

# Rosa's Big Pizza Experiment

Colour in this picture of Rosa and Snowy dog.
